This will now keep a watch on the overhead sky to identify transient or variable objects such as supernovae, gravitational lenses, space debris, and asteroids.

Important Days

- **World No Tobacco Day** is observed on **31st May** globally. This yearly celebration aims to raise awareness amid the global citizens about not only the dangers of using tobacco but also the business practices of tobacco companies, what WHO is doing to fight the tobacco epidemic and what people around the world can do to claim their right to health and healthy living and to protect future generations.
- **World Vape Day** is observed on **30th May** across the globe to create awareness about the alternatives to harmful tobacco products and highlights the relative safety of **e-cigarettes and their potential as harm reduction and smoking cessation tools**. World Vape Day (May 30) is observed on the day before World No Tobacco Day (May 31), observed by the World Health Organisation (WHO). World Vape Day was initiated by the **World Vapers' Alliance (WVA)**.
- Every year **Global Day of Parents** is observed on the **1st of June** globally. The Global Day of Parents is an annual event that celebrates the importance of parents in children's lives. The theme for Global Parent Day 2022 is 'Family Awareness', awareness internationally. Being conscious of one's own and one's family's emotional and physical well-being might be critical.
- **The Food and Agriculture Organization of the United Nations** adopted **June 1** as **World Milk Day**. The day is marked to recognise milk as global food and to celebrate the dairy industry. The day is intended to provide an opportunity to bring attention to activities that are connected with the dairy sector. The day has been observed on June 1 each year since **2001**.
- **World Bicycle Day** is marked on **3rd June** every year to recognise bicycling as a way to get a sustainable form of travelling that also ensures one's physical well-being. The day celebrates the tradition of cycling and its significant role in keeping our health fit. Cycling is a multidimensional exercise with numerous health benefits.

- Every year on **June 4th**, the United Nations (UN) observes the **International Day of Innocent Children Victims of Aggression** to raise awareness of the children who have been victims of physical, mental, and emotional abuse around the world. On this day, the United Nations reaffirms its commitment to preserve children's rights.
