

Word Rearrangement Test Questions for SBI PO Exam

Q1. In the question below, a sentence has been given with four highlighted words. These highlighted words may not be in their correct positions. Find out the correct rearrangement of the highlighted words to make the sentence grammatically correct and contextually meaningful. If all the words are in their correct position, then select option 'No rearrangement required' as answer.

Not only has daily testing numbers **reluctant (A)** sharply, people have become **dropped (B)** to get **obvious (C)** even when symptoms are **tested (D)**.

- (a) CDBA
- (b) ABDC
- (c) BADC
- (d) BCAD
- (e) No rearrangement required

Q2. In the question below, a sentence has been given with four highlighted words. These highlighted words may not be in their correct positions. Find out the correct rearrangement of the highlighted words to make the sentence grammatically correct and contextually meaningful. If all the words are in their correct position, then select option 'No rearrangement required' as answer.

The **savings (A)** from old and **inefficient (B)** ACs to new ones **significantly (C)** impacts the cumulative energy **transition (D)**.

- (a) CDBA
- (b) ABDC
- (c) BDCA
- (d) DBCA
- (e) No rearrangement required

Q3. In the question below, a sentence has been given with four highlighted words. These highlighted words may not be in their correct positions. Find out the correct rearrangement of the highlighted words to make the sentence grammatically correct and contextually meaningful. If all the words are in their correct position, then select option 'No rearrangement required' as answer.

Toxicological properties in food are not **harmful (A)** unless we are **exposed (B)** to them for a **levels (C)** time and at high **long (D)**.

- (a) CDBA
- (b) ABDC
- (c) BDCA
- (d) BCAD
- (e) No rearrangement required

Q4. In the question below, a sentence has been given with four highlighted words. These highlighted words may not be in their correct positions. Find out the correct rearrangement of the highlighted words to make the sentence grammatically correct and contextually meaningful. If all the words are in their correct position, then select option 'No rearrangement required' as answer.

Give yourself a/an **chaotic (A)** from the **break (B)** life of metro cities, by **unaffected (C)** to areas that are **travelling (D)** by urbanisation.

- (a) BADC
- (b) ABDC
- (c) DBCA
- (d) BCAD
- (e) No rearrangement required

Q5. In the question below, a sentence has been given with four highlighted words. These highlighted words may not be in their correct positions. Find out the correct rearrangement of the highlighted words to make the sentence grammatically correct and contextually meaningful. If all the words are in their correct position, then select option 'No rearrangement required' as answer.

The reason for worker accidents is unsafe **behaviour (A)**, particularly **factors (B)** in the **rooted (C)** to recognize risk **inability (D)**.

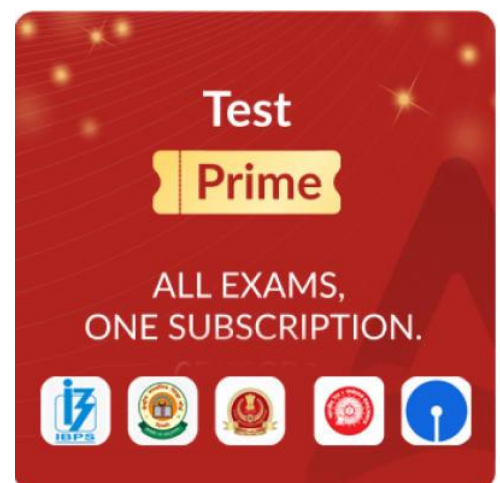

- (a) CDBA
- (b) ACDB
- (c) BDCA
- (d) BCAD
- (e) No rearrangement required

Q6. A property (A) garden full of breath-taking roses (B) was hidden behind a small wooden (C) door at the back of the secret (D).

- (a) BADC
- (b) ADCB
- (c) DBCA
- (d) BACD
- (e) No rearrangement required

Q7. When my indubitable (A) lied to me, she enough (B) I was stupid daughter (C) to take her words as thought (D) truth.

- (a) CDBA
- (b) ABDC
- (c) BDAB
- (d) DCBA
- (e) No rearrangement required

Q8. Unfair (A) comments mistrial (B) in the jury's presence led to a/an hearing (C) and the start of a new whispered (D).

- (a) CBAD
- (b) ACDB
- (c) DCAB
- (d) ADBC
- (e) No rearrangement required

Q9. Twenty years ago, no one would (A) have ever imagined (B) that text messaging would be a/an form (C) of discourse(D).

- (a) BCAD
- (b) CDAB
- (c) ADBC
- (d) DCBA
- (e) No rearrangement required

Q10. Poor impression (A) such as slouching when posture (B) to a/an authority (C) gives the talking (D) that you aren't listening.

- (a) ACBD
- (b) BDCA
- (c) CADB
- (d) DBAC
- (e) No rearrangement required

Directions (11-15): In each sentence four words are highlighted and may not arranged in correct order. Choose the order of rearrangement needed between these highlighted words to make the sentence meaningful

Q11. Manufacturers are believe (A)heavily in tablets because they demand (B)the demand for tablets will soon investing (C)laptop supersede (D).

- (a) BDCA
- (b) CADB
- (c) ADBC
- (d) BACD
- (e) No rearrangement needed

Q12. Although the test answer took (A)only four or five sentences, John required (B) a verbose (C)response that wrote (D)up half the page.

- (a) BDCA
- (b) CADB
- (c) ADBC
- (d) BACD
- (e) No rearrangement needed

Q13. In order to find out about the **history** (A) of her family, the young woman **departed** (B) on an ancestral quest to Spain to **locate** (C) her distant Spanish **relatives** (D).

- (a) BDCA
- (b) CADB
- (c) ADBC
- (d) BACD
- (e) No rearrangement needed

Q14. If you want to buy a cheap camera, look for one that has a minor defect or **purchase** (A) because you can **discounted** (B) cameras of this **aberration** (C) at **sort** (D) prices.

- (a) BDCA
- (b) CADB
- (c) ADBC
- (d) BACD
- (e) No rearrangement needed

Q15. Before the church leader **storm** (A) the children from Sunday School class, he gave a **dismissed** (B) for their safe travels **during** (C) the **benediction** (D).

- (a) BDCA
- (b) CADB
- (c) ADBC
- (d) BACD
- (e) No rearrangement needed

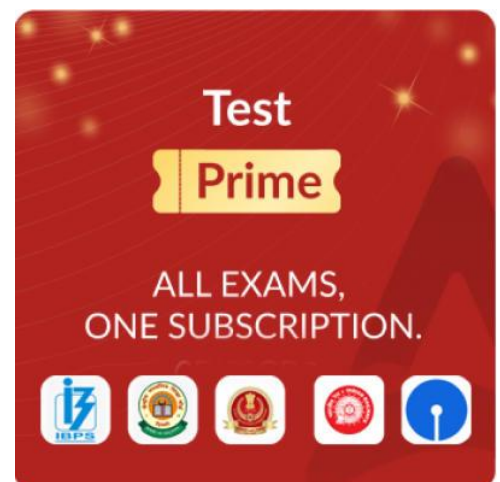

Directions (16-20): In each question, four words are given in bold, which are not arranged in correct order. Choose the rearrangement needed between the highlighted words to make a meaningful and correct sentence.

Q16. We cannot **protects** (A) the world's biological **nurture** (B) unless we **diversity** (C) the human diversity that **save** (D) and develops it.

- (a) DBAC
- (b) BCAD
- (c) ACDB
- (d) DCBA
- (e) No rearrangement needed

Q17. Recent events **seem** (A) less **serious** (B) when put into a/an **international** (C) **perspective** (D).

- (a) DBAC
- (b) BCAD
- (c) ACDB
- (d) DCBA
- (e) No rearrangement needed

Q18. It can be difficult to **effectiveness** (A)the **treatments** (B)of **evaluate** (C)**different** (D).

- (a) ABDC
- (b) CADB
- (c) ACDB
- (d) DCBA
- (e) No rearrangement needed

Q19. Keeping **hydrated** (A)improves the body's **gain** (B)to trap and **neutralize** (C)those microbes before they can **ability** (D)a foothold.

- (a) ACBD
- (b) DBAC
- (c) ADCB
- (d) BADC
- (e) No rearrangement needed

Q20. The new current **challenging** (A)series **promises** (B)to address **rigor** (C)issues with freshness and **affairs** (D).

- (a) ACBD
- (b) DBAC
- (c) ADCB
- (d) BADC
- (e) No rearrangement needed

Q21. In each of the questions given below a sentence is given with three words in bold. Choose the option which gives the correct sequence of these words to make the sentence grammatically and contextually correct.

Protecting the **essential** (A) is **survival** (B) for the **planet** (C) of future generations.

- (a) CBA
- (b) BAC
- (c) CAB
- (d) ACB
- (e) None of these

Q22. In each of the questions given below a sentence is given with three words in bold. Choose the option which gives the correct sequence of these words to make the sentence grammatically and contextually correct.

We must be **unintended** (A) of the **mindful** (B) consequences of technological **advancements** (C).

- (a) BCA
- (b) CAB
- (c) BAC
- (d) CBA
- (e) None of these

Q23. In each of the questions given below a sentence is given with three words in bold. Choose the option which gives the correct sequence of these words to make the sentence grammatically and contextually correct.

We must actively work to **racism (A) systemic (B) dismantle (C)** in all its forms.

- (a) None of these
- (b) CAB
- (c) ABC
- (d) BCA
- (e) CBA

Q24. In each of the questions given below a sentence is given with three words in bold. Choose the option which gives the correct sequence of these words to make the sentence grammatically and contextually correct.

Education is the key to **breaking (A) potential and unlocking (B) the cycle of poverty (C).**

- (a) None of these
- (b) BAC
- (c) ACB
- (d) BCA
- (e) CBA

Q25. In each question, three words are given in bold, which may or may not be in their correct positions. Choose the correct sequence of words from the given options to make the sentence grammatically correct and meaningful.

I'm looking **weekend (A) to the catch (B) so I can forward (C)** up on some much-needed rest.

- (a) BCA
- (b) CBA
- (c) ACB
- (d) CAB
- (e) No rearrangement needed

Q26. In each question, three words are given in bold, which may or may not be in their correct positions. Choose the correct sequence of words from the given options to make the sentence grammatically correct and meaningful.

The manager had to **avoid (A) in and mediate the dispute (B) between two employees to step (C)** further conflict.

- (a) BCA
- (b) CBA
- (c) ACB
- (d) BAC
- (e) No rearrangement needed

Q27. In each question, three words are given in bold, which may or may not be in their correct positions. Choose the correct sequence of words from the given options to make the sentence grammatically correct and meaningful.

The athlete had to **bounce (A)** out of the game due to an **injury (B)** but is determined to **sit (C)** back stronger.

- (a) BCA
- (b) CBA
- (c) ACB
- (d) BAC
- (e) No rearrangement needed

Q28. In each question, three words are given in bold, which may or may not be in their correct positions. Choose the correct sequence of words from the given options to make the sentence grammatically correct and meaningful.

I'm going to run **before (A)** my presentation a few **through (B)** times **more (C)** the big meeting to ensure I'm well-prepared.

- (a) BCA
- (b) CBA
- (c) ACB
- (d) BAC
- (e) No rearrangement needed

Q29. In each question, three words are given in bold, which may or may not be in their correct positions. Choose the correct sequence of words from the given options to make the sentence grammatically correct and meaningful.

The author was able to **through (A)** out the **flesh (B)** in her book **characters (C)** detailed descriptions.

- (a) BCA
- (b) CBA
- (c) ACB
- (d) BAC
- (e) No rearrangement needed

Directions (30-32): In each of the questions four words are given in bold which may or may not be in correct place. Choose the correct arrangement from the given options that can make the sentence meaningful. If all the highlighted words are correctly placed then, choose "No rearrangement needed" as the answer choice.

Q30. Digital surge (A) transfers were a major reason (B) for the credit (C) in digital payments (D).

- (a) BACD
- (b) CBAD
- (c) ADCB
- (d) CABD
- (e) No rearrangement needed

Q31. The **temperatures (A)** higher than normal **significantly (B)** may have a/an **impact (C)** **adverse (D)** on wheat and other crops.

- (a) BADC
- (b) CBDA
- (c) ADCB
- (d) CABD
- (e) No rearrangement needed

Q32. A vostro account is an account that **domestic (A)** banks **currency (B)** for foreign banks in the **former's (C)** domestic **hold (D)**.

- (a) BACD
- (b) CBDA
- (c) ADCB
- (d) CABD
- (e) No rearrangement needed

Solutions

S1. Ans.(c)

Sol. The correct rearrangement of the given highlighted words is BADC. After rearrangement the sentence formed will be, "Not only has daily testing numbers **dropped** sharply, people have become **reluctant** to get **tested** even when symptoms are **obvious**."

reluctant: not wanting to do something because you are not sure it is the right thing to do

S2. Ans.(d)

Sol. The correct rearrangement of the given highlighted words is **DBCA**. After rearrangement, the sentence formed will be, "The **transition** from old and **inefficient** ACs to new ones **significantly** impacts the cumulative energy **savings**."

cumulative: Cumulative means adding together or accumulating over time.

transition: Transition means the process of changing from one state, condition, or form to another.

inefficient: Inefficient means not operating or performing in the most effective or productive manner.

significantly: Significantly means in a notable or important way.

S3. Ans.(b)

Sol. The correct rearrangement of the given highlighted words is **ABDC**. After rearrangement, the sentence formed will be, "Toxicological properties in food are not **harmful** unless we are **exposed** to them for a **long** time and at high **levels**."

S4. Ans.(a)

Sol. The correct rearrangement of the given highlighted words is **BADC**. After rearrangement, the sentence formed will be, "Give yourself a **break** from the **chaotic** life of metro cities, by **travelling** to areas that are **unaffected** by urbanisation."

S5. Ans.(b)

Sol. The correct rearrangement of the given highlighted words is **ACDB**. After rearrangement the sentence formed will be, "The reason for worker accidents is unsafe **behaviour**, particularly **rooted** in the **inability** to recognize and appropriately respond to risk **factors**."

Solutions (6-10): In each of the questions given below four words are given in bold. These words may or may not be in their correct position. Following each sentence four sequences are provided. Select the sequence of the words which will make the given sentence contextually meaningful. If the words are correct at their current positions, then choose 'no rearrangement required' as your answer.

S6. Ans.(c)

Sol. The correct sequence is **DBCA**.

This sentence sets up a fictional scenario of a secret garden containing beautiful roses. It implies that the garden is hidden and only accessible through a small wooden door located at the back of the property, suggesting an air of mystery and exclusivity.

Hence, the correct sentence formed will be "A **secret** garden full of breath-taking **roses** was hidden behind a small **wooden** door at the back of the **property**."

S7. Ans.(a)

Sol. The correct sequence is **CDBA**.

The speaker's daughter lied to them, but the speaker was aware of the deception and did not believe her. The statement implies that the daughter underestimated the speaker's intelligence or ability to detect lies.

Hence, the correct sentence formed will be "When my **daughter** lied to me, she **thought** I was stupid **enough** to take her words as **indubitable** truth."

S8. Ans.(d)

Sol. The correct sequence is **ADBC**.

The sentence implies to some comments were made in the presence of the jury that were considered unfair, leading to a mistrial being declared. This resulted in a new hearing being scheduled to ensure a fair trial.

Hence, the correct sentence formed will be "**Unfair** comments **whispered** in the jury's presence led to a **mistrial** and the start of a new **hearing**."

S9. Ans.(e)

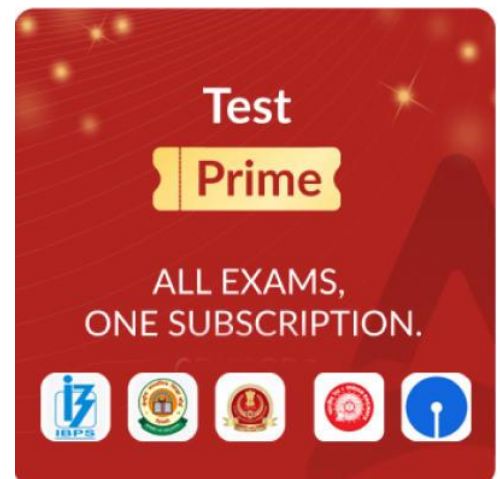

Sol. The given sentence is correct and does not require rearrangement.

S10. Ans.(b)

Sol. The correct sequence is **BDCA**.

The sentence highlights the importance of good posture in communication, particularly when speaking with authority figures. Poor posture, such as slouching, can convey disinterest and lack of engagement, which can give the impression that the listener is not paying attention.

Hence, the correct sentence formed will be "Poor **posture** such as slouching when **talking** to an **authority** gives the **impression** that you aren't listening."

S11. Ans.(b)

Sol. The rearrangement needed between these highlighted words is CADB. Thus, the sentence will be, "Manufacturers are investing heavily in tablets because they believe the demand for tablets will soon supersede laptop demand"

S12. Ans.(a)

Sol. The rearrangement needed between these highlighted words is BDCA. Thus, the sentence will be, "Although the test answer required only four or five sentences, John wrote a verbose response that took up half the page."

S13. Ans.(e)

Sol. All the highlighted words are rightfully arranged.

S14. Ans.(b)

Sol. The rearrangement needed between these highlighted words is CADB. Thus, the sentence will be, "If you want to buy a cheap camera, look for one that has a minor defect or aberration because you can purchase cameras of this sort at discounted prices."

S15. Ans.(a)

Sol. The rearrangement needed between these highlighted words is BDCA. Thus, the sentence will be, "Before the church leader dismissed the children from Sunday School class, he gave a benediction for their safe travels during the storm"

S16. Ans.(d)

Sol. The rearrangement needed to make the sentence correct is DCBA. Thus, the sentence will be, "**We cannot save the world's biological diversity unless we nurture the human diversity that protects and develops it**"

S17. Ans.(e)

Sol. All the highlighted words are arranged in correct order.

S18. Ans.(b)

Sol. The rearrangement needed to make the sentence correct is CADB. Thus, the sentence will be, "**It can be difficult to evaluate the effectiveness of different treatments.**"

S19. Ans.(c)

Sol. The rearrangement needed to make the sentence correct is ADCB. Thus, the sentence will be, "**Keeping hydrated improves the body's ability to trap and neutralize those microbes before they can gain a foothold.**"

S20. Ans.(b)

Sol. The rearrangement needed to make the sentence correct is DBAC. Thus, the sentence will be, "**The new current affairs series promises to address challenging issues with freshness and rigor.**"

S21. Ans.(c)

Sol. The correct sequence of the highlighted words would be CAB. The sentence thus formed will be “Protecting the planet is essential for the survival of future generations.”

S22. Ans.(c)

Sol. The correct sequence of the highlighted words would be BAC. The sentence thus formed will be “We must be mindful of the unintended consequences of technological advancements.”

S23. Ans.(e)

Sol. The correct sequence of the highlighted words would be CBA. The sentence thus formed will be “We must actively work to dismantle systemic racism in all its forms.”

S24. Ans.(b)

Sol. The correct sequence of the highlighted words would be BAC. The sentence thus formed will be “Education is the key to unlocking potential and breaking the cycle of poverty.”

S25. Ans.(d)

Sol. The correct rearrangement of the highlighted words is CAB. Thus, the correct sentence will be, “I’m looking forward to the weekend so I can catch up on some much-needed rest.”

S26. Ans.(b)

Sol. The correct rearrangement of the highlighted words is CBA. Thus, the correct sentence will be, “The manager had to step in and mediate the dispute between two employees to avoid further conflict.”

S27. Ans.(b)

Sol. The correct rearrangement of the highlighted words is CBA. Thus, the correct sentence will be, “The athlete had to sit out of the game due to an injury but is determined to bounce back stronger.”

S28. Ans.(a)

Sol. The correct rearrangement of the highlighted words is BCA. Thus, the correct sentence will be, “I’m going to run through my presentation a few more times before the big meeting to ensure I’m well-prepared.” Here, “run through” means to explain or to read something quickly.

S29. Ans.(a)

Sol. The correct rearrangement of the highlighted words is BCA. Thus, the correct sentence will be, “The author was able to flesh out the characters in her book through detailed descriptions.” Here, “to flesh out” means to provide more information about something.

S30. Ans.(b)

Sol. The correct rearrangement of the highlighted words is CBAD. After rearrangement the correct sentence formed will be, “**Digital credit transfers were a major reason for the surge in digital payments.**”

S31. Ans.(a)

Sol. The correct rearrangement of the highlighted words is BADC. After rearrangement the correct sentence formed will be, “**The significantly higher than normal temperatures may have an adverse impact on wheat and other crops.**”

S32. Ans.(c)

Sol. The correct rearrangement of the highlighted words is ADCB. After rearrangement the sentence will be, “**A vostro account is an account that domestic banks hold for foreign banks in the former’s domestic currency.**”
