Rich experience in the field of Business Systems and IT including experience with design, development and integration of applications, integration patterns (B2B, B2B2C, B2C) and core banking integrations. 8. Deep expertise in creation and consumption of REST and SOAP web services using open API specifications. Work like a full stack developer; hands on experience, individual contributor attitude and a driving force in the project. 9. Experience in developing applications using Java/J2EE, Spring Frameworks, Micro services. Hands-on experience UI frameworks like Angular/ React and NodeJS/ Spring Reactive Framework etc. and experience in NoSQL like MongoDB, DynamoDB etc. along-with extensive engineering experience in Building and maintaining APIs. 10. Experience with Kafka and event-based messaging platforms in Agile software product delivery and SCRUM. <p>The above roles & responsibilities are indicative and Bank at its own discretion may assign KRAs or other roles as per business need.</p>

6. Recruitment of Assistant General Manager – API & Interface (Scale V):

Post	:	Assistant General Manger – API & Interface
Qualifications	:	Minimum qualification: B. Tech /BE with minimum 60% marks in aggregate in all semesters / years from any university preferably in Computer Science /Information

		Technology or MCA from Institute / University recognized by Govt. of India or its regulatory bodies with Professional Certification in CI/CD tools /API or related field certification.
Experience	:	The candidate should have an overall experience of minimum 10 years' of relevant experience in technical and business expertise should have managed technology delivery and digital platform preferably in banking domain in Scheduled Commercial Bank / Reputed IT Companies / MNCs.
Age	:	Maximum 45 years
Reporting Authority	:	The selected candidate will report to CTO / Deputy General Manager / Vertical Head handling the portfolio of Information Technology
Job Profile	:	<p>The key responsibilities of API and Interface Head, are as under:</p> <ol style="list-style-type: none"> 1. Responsible for the set-up, maintenance, and ongoing development of continuous build/integration of app and infrastructure. 2. Deep expertise in creation and consumption of REST and SOAP web services using open API specifications. Work like a full stack developer; hands on experience, individual contributor attitude and a driving force in the project. 3. Design and implement highly interactive, scalable web apps and prototypes. Build and modify high-performance APIs and programs using Python and Web Services Call. Implement APIs based on architecture frameworks and guidelines. Prepare functional specifications and test data. 4. Lead with your technical expertise to integrate applications with all required applications, systems and services and provide clean and easy to use API. 5. Experience in developing applications using Java/J2EE, Spring Frameworks, Micro services. Hands-on experience UI frameworks like Angular/ React and NodeJS/ Spring Reactive Framework etc. and experience in NoSQL like MongoDB, DynamoDB etc. along-with extensive engineering experience in Building and maintaining APIs. 6. Knowledge of source code control management, systems and configuration management and code branching/merging strategies. 7. Design, develop, and maintain APIs to support web and mobile applications. - Collaborate with frontend and backend developers to define API requirements. Ensure API security and authentication mechanisms are robust. Monitor API performance and troubleshoot issues promptly 8. Rich experience in the field of Business Systems and IT including experience with design, development and integration of applications, integration patterns (B2B, B2B2C, B2C) and core banking integrations. 9. Experience with Kafka and event-based messaging platforms in Agile software product delivery and SCRUM. <p>The above roles & responsibilities are indicative and Bank at its own discretion may assign KRAs or other roles as per business need.</p>

7. Recruitment of Assistant General Manager – Middleware (Scale V):

Post	:	Assistant General Manger – Middleware
Qualifications	:	Minimum qualification: B. Tech /BE with minimum 60% marks in aggregate in all semesters / years from any university preferably in Computer Science /Information Technology or MCA from Institute / University recognized by Govt. of India or its regulatory bodies with Professional Certification in CI/CD tools /Middleware or related field certification.
Experience	:	The candidate should have an overall experience of minimum 10 years' of relevant experience in technical and business expertise should have managed technology delivery and digital platform preferably in banking domain
Age	:	Maximum 45 years
Reporting Authority	:	The selected candidate will report to CTO / Deputy General Manager / Vertical Head handling the portfolio of Information Technology
Job Profile	:	<p>The key responsibilities of Middleware Head, are as under:</p> <ol style="list-style-type: none"> 1. Build and configure middleware components, such as message queues, application servers, ESB (Enterprise Service Bus) platforms, and API gateways, to enable seamless data exchange and interoperability. 2. Establish ESB performs transformations of data models, handles connectivity, performs message routing, converts communication protocols and potentially manages the composition of multiple requests. The ESB should make these integrations and transformations available as a service interface for reuse by new applications. 3. Work like a Middleware administrators and are responsible for installing and configuring middleware software and its components and manage the many

	<p>layers of the application. Test, troubleshoot, and modify both large and mid-range systems such as operating systems, compilers, etc. with the help of extended team.</p> <ol style="list-style-type: none"> 4. Closely work with developers to fix bugs or defects in software code and implement software and security architecture based on bank business requirements. 5. Oversee Install and configure middleware software and Components and In-charge of managing many layers of middleware software. 6. Monitor middleware server and system performance by Maintaining detailed documentation about system configurations and settings. 7. Should have a strong working knowledge of middleware software as well as of operating systems such as Unix/Linux etc. 8. Rich experience in the field of Business Systems and IT including experience with design, development and integration of applications, integration patterns (B2B, B2B2C, B2C) and core banking integrations. 9. Good to understand project management concepts, and solid knowledge of programming languages such as Java, C++, and Python, and application pools and assembly redirects. 10. Troubleshooting and ability to work with different databases and open-source software systems such as Git, and Kubernetes. <p>The above roles & responsibilities are indicative and Bank at its own discretion may assign KRAs or other roles as per business need.</p>
--	---

8. Recruitment of Assistant General Manager – Software (Scale V)

Post	:	Assistant General Manager – Software
Qualifications	:	B.E./ B. Tech in Computer Science/ Information Technology / MCA with minimum 60% marks in aggregate in all semesters / years from Institute / University recognized by Govt. of India or its regulatory bodies
Experience	:	The candidate should have an overall experience of minimum 10 years in Software Development, Digital Project Implementation in Scheduled Commercial Banks/ Reputed IT companies/MNCs. Preference will be given to those who have experience in IT/Digital Banking.
Age	:	Maximum 45 years
Reporting Authority	:	The selected candidate will report to Deputy General Manager / General Manager/ CTO / Vertical Head handling the portfolio of Information Technology
Job Profile	:	<ol style="list-style-type: none"> 1. To lead and oversee the development, deployment, and maintenance of cutting-edge software solutions while driving strategic technological innovation. 2. Define the organization's technical vision and roadmap in alignment with business goals. 3. Evaluate emerging technologies and drive the adoption of tools, frameworks, and methodologies to maintain a competitive edge. 4. Drive innovation and identify opportunities for process improvement and automation. 5. Oversee the end-to-end software development lifecycle, including design, architecture, coding, testing, and deployment in agile environment. 6. Ensure the scalability, reliability and security of software systems. 7. Establish and enforce coding standards, bug fixing, Load & black box testing, best practices, and technical documentation. 8. Collaborate with the executives / teams to align technical initiatives with business strategies. 9. Translate complex technical concepts into actionable business plans. 10. Contribute to budgeting and resource allocation for technical projects. 11. Build and lead high-performing development teams by mentoring and fostering a culture of continuous learning and innovation within the team. 12. Identify and mitigate potential risks in software development and deployment. 13. Ensure compliance with industry standards, data protection regulations, and security protocols. 14. Ensure compliance with Bank's Policies and guidelines from Regulatory & Statutory bodies. 15. Capability to migrate legacy app/platform to latest software/platform and coach and mentor the team for all new tech stack. 16. Proficient in AI/ML, RPA, Internal and external cloud native applications and experience in migrating applications from on-premises to public cloud. 17. Hands on experience on front end, back end applications and tools and rich experience on deployment on Linux/Unix platform 18. Rich experience on No code / low code, SAS Software, Oracle Apex administration, Oracle & SQL databases.

	19. Proficient and hands on experience on DevSecOps tool with exposure and experience on latest open-source tools and technologies. The above roles & responsibilities are indicative and Bank at its own discretion may assign KRAs or other roles as per business need.
--	--

9. Recruitment of Chief Manager – Cyber Security (Scale IV):

Post	:	Chief Manager – Cyber Security
Qualifications	:	Graduation with minimum 60% aggregate in all years and Post-Graduation in Computer Science / Information technology / Electronics and Communication / Equivalent Courses related to Cyber Security from Institute / University recognized by Govt. of India or its regulatory bodies. AND The candidate should have one of the Following certificate: 1. CISSP (Certified Information System Security Professional) 2. CISM (Certified Information Security Manager) 3. CISA (Certified Information Security Auditor) 4. C-CISO (Certified Chief Information Security officer)
Experience	:	Relevant work experience of minimum 8 years of which 5 years should be in the core domain area of Information/ Cyber Security in Reputed IT Companies in banking field OR Minimum 10 years of work experience in handling IT related function in Scheduled Commercial Bank of which minimum 4 years of experience in core domain area of Information/ Cyber Security at Middle Management level & above Desirable: 1. Experience in implementing security improvements by assessing current situation; evaluating trends; anticipating requirements and making changes to keep the organization secure. 2. Managing Cyber Security Operation Centre (SIEM tools) and hands on experience on network security implementation and management, VAPT, and incident handling 3. Experience in BFSI sector in handling various information security related roles like Firewall Management, IPS Management, SIEM administration, Antivirus.
Age	:	Maximum 40 Years
Reporting Authority	:	The selected candidate will report to CISO/ Asst. General Manager/ Vertical Head handling the portfolio of Information Technology
Job Profile	:	1. Facilitating for RBI-CSITE IT examination. 2. Monitoring of compliances to regulatory guidelines, RBI Advisories, Digest, Cert-In / NCIIPC advisories. 3. --	---

A. Note:

1. The above number of vacancies are provisional and may vary according to actual requirement of the Bank, subject to availability of suitable candidates.
2. The candidates belonging to reserved category for which no reservation has been announced are free to apply for vacancies announced for unreserved categories. However, they must fulfil all the eligibility conditions of unreserved category.
3. The selected candidates will be posted anywhere in India, depending on the requirement of the Bank. The job role / description is only indicative and not exhaustive; applicants must fulfil their duties in accordance with the tasks that are assigned to them.
4. **The cut- off date for Eligibility Criteria (Age, Qualification, Work Experience) and other details is 31.12.2024.**
5. **Candidate must ensure continuity in service. If gap in service is revealed in later stages, then candidature will be cancelled.**
6. Before applying, candidates are requested to ensure that they fulfill the eligibility criteria for the post as on the date of eligibility. **Incomplete application forms are liable for rejection.**
7. Candidates are advised to check Bank's website regularly for details and updates. No separate intimation / advertisement etc. will be issued in case of any change / update.
8. Vacancies reserved for OBC category are available only to the 'Non-creamy layer' OBC candidates. 'Creamy layer' OBC candidates should indicate their category as 'General'. Vacancies for PwBD category candidates are reserved horizontally. @ PWBD categories under clauses 'd' & 'e' of Section 34(i) of RPWD Act 2016 – (i) "Specific Learning Disability" (SLD); (ii) "Mental Illness" (MI); (iii) "Multiple Disabilities" (multiple disabilities amongst LD, VI, HI, SLD & MI).
9. Reservation for Economically Weaker Section (EWS) in recruitment is governed by Office Memorandum no. 36039/1/2019-Estt (Res) dated 31.01.2019 of Department of Personnel & Training, Ministry of Personnel, Public Grievance & Pensions, Government of India. Benefit of reservation under EWS category can be availed upon production of an 'Income and Asset Certificate' issued by a Competent Authority on the format prescribed by Government of India.
10. **Reservation for Persons with Benchmark Disabilities (PwBD):** 4% horizontal reservation has been provided to Persons with Benchmark Disabilities as per section 34 of "Rights of Persons with Disabilities Act, 2016".

11. Candidate should be proficient in computers; good in inter-personal communication skills, analytical skills and drafting skills. The appointment of officers is on pan India basis and the selected candidates are liable to be posted anywhere in India as an Officer as per Bank's requirement. Educational degree must be from recognized University / Institute approved by Govt. of India or its regulatory bodies.
12. The date of passing eligibility examination will be the date appearing on the mark sheet or provisional certificate issued by the University/ Institute. In case the result of a particular examination is posted on the website of the University/ Institute, a certificate issued by the appropriate authority of the University/ Institute indicating the date on which the result was posted on the website will be taken as the date of passing.
13. Candidate should indicate the percentage obtained in Graduation calculated to the nearest two decimals in the online application. Where CGPA/ OGPA is awarded, the same should be converted into percentage and indicated in the online application. If called for interview, the candidate will have to produce a certificate issued by the appropriate authority inter alia stating the norms of the University regarding conversion of grade into percentage and the percentage of marks scored by the candidate in terms of these norms.
14. Calculation of Percentage: The percentage marks shall be arrived at by dividing the total marks obtained by the candidate in all the subjects in all the semester(s)/ year(s) by aggregate maximum marks in all the subjects irrespective of honours /optional/ additional optional subject, if any. This will be applicable for those Universities also where Class/ Grade is decided on basis of Honours marks only. **The fraction of percentage so arrived will be ignored i.e. 59.99% will be treated as less than 60%.**
15. In case of any candidate completed the Diploma Course and directly got entry into second year / semester in degree course by getting exemption of few semesters / years then only those semesters / years marks would be considered which are part of bachelor's degree, neither diploma marks nor any exempted semesters/ years marks shall be considered for eligibility. The same shall also be applicable for other degree courses.

H. Probation Period & Bond:

The selected candidates will be on probation for the under-mentioned period from the date of joining the Bank. There is mandatory provision of executing a service bond by selected candidates.

Scale	Probation Period	Bond	
		Amount Rs.	Minimum Service Period
Scale VII	6 Months	02.00 Lakh	2 Years
Scale VI	6 Months	02.00 Lakh	2 Years
Scale V	6 Months	02.00 Lakh	2 Years
Scale IV	6 Months	02.00 Lakh	2 Years
Scale III	6 Months	02.00 Lakh	2 Years
Scale II	6 Months	02.00 Lakh	2 Years

I. Nationality / Citizenship:

A candidate must be either (i) a Citizen of India or (ii) a subject of Nepal or (iii) subject of Bhutan or (iv) a Tibetan Refugee who came over to India before 01st Jan 1962 with the intention of permanently settling in India or (v) a person of Indian origin who has migrated from Pakistan, Burma, Sri Lanka, East African countries of Kenya, Uganda, the United Republic of Tanzania (Formerly Tanganyika and Zanzibar), Zambia, Malawi, Zaire, Ethiopia or Vietnam with the intention of permanently settling in India, provided that of a candidate belonging to categories (ii), (iii), (iv) & (v) above shall be a person in whose favor a certificate of eligibility has been issued by the Govt. of India.

A candidate in whose case a certificate of eligibility is necessary may be admitted to examination/Group discussions/interview conducted by the Bank, but on final selection, the offer of appointment will be given only after submitting certificate of eligibility, issued to him/her by Government of India, to the Bank.

J. Selection Procedure:

1. Selection will be through examination (if required) and personal interview / discussion. A preliminary screening of applications may be carried out by the Bank to shortlist eligible candidates with reference to candidate's qualifications, suitability / experience etc.
2. Final Selection will be on the basis of marks secured by the candidate in personal interview / discussion. The allocation of marks for personal Interview is 100. The candidate should score minimum 50 marks (45 in case of SC/ST/PwBD) to qualify in the interview. In case more than one candidate scores the cut-off marks (common marks at cut-off point), such candidates will be ranked according to their age in descending order, in the merit. Bank may change the mode of selection depending upon the number of applications received.
3. **While short listing the candidates, bank may consider additional qualification/s, greater experience and level of responsibilities handled etc. Thus, merely fulfilling minimum qualification and experience criteria would not automatically entitle a candidate for the interview and the bank as per decided criteria shall shortlist the candidates for interview and accordingly only such candidates will be allowed to participate in recruitment process.**
4. **Bank reserves the right to conduct written examination depending upon number of applications received, if deemed fit and proper.**
5. Mere eligibility / admission to Group Discussions / Interview / pass in GD/ interview does not imply that the Bank is satisfied beyond doubt about the candidate's eligibility and shall not vest any right in a candidate for selection.
6. The Bank would be free to reject the candidature of any candidate at any stage of recruitment process, if he / she is found to be ineligible and / or furnished incorrect or false information / certificates / documents or has suppressed any material facts and the fees paid by the ineligible candidates shall be forfeited. If appointed, such a candidate may be summarily removed from the services of the Bank.

Guidelines for Scanning and Uploading Documents online**1. Photograph: (4.5cm x 3.5cm)**

- Photograph must be a recent passport style color picture.
- Make sure that the picture is in color, taken against a light-colored, preferably white, background.
- Look straight at the camera with a relaxed face
- If the picture is taken on a sunny day, have the sun behind you, or place yourself in the shade, so that you are not squinting and there are no harsh shadows
- If you have to use flash, ensure there's no "red-eye"
- If you wear glasses make sure that there are no reflections and your eyes can be clearly seen.
- Caps, hats and dark glasses are not acceptable. Religious headwear is allowed but it must not cover your face.
- Dimensions 200 x 230 pixels (preferred)
- Size of file should be between 20kb–50 kb
- File type: jpg / jpeg
- Ensure that the size of the scanned image is not more than 50kb. If the size of the file is more than 50 kb, then adjust the settings of the scanner such as the DPI resolution, no. of colors etc., during the process of scanning.
- Photo uploaded should be of appropriate size and clearly visible.

2. Signature:

- The applicant has to sign on white paper with Black/Blue Ink pen.
- Dimensions 140 x 60 pixels (preferred)
- Size of file should be between 10kb – 20kb
- File type: jpg / jpeg
- Ensure that the size of the scanned image is not more than 20kb
- Signature (NOT IN CAPITAL LETTERS) uploaded should be of appropriate size and clearly visible.

3. Hand-written declaration Image:

- The applicant has to write the declaration in English clearly on a white paper with black ink.
- File type: jpg / jpeg
- Dimensions: 800 x 400 pixels in 200 DPI (Preferred for required quality) i.e. 10 cm * 5 cm (Width * Height)
- File Size: 50 KB – 100 KB
- Note: The hand written declaration has to be in the candidate's hand writing and in English only. The text should NOT BE IN CAPITAL LETTERS. If it is written by anybody else and uploaded or in any other language, the application will be considered as invalid. Below the typed declaration and upload the document as per specifications.

The text for hand written declaration is as follows:

"I, _____ (Name of the candidate), hereby declare that all the information submitted by me in the application form is correct, true and valid. I will present the supporting documents as and when required."

4. Required Supporting Documents:

- Document must be clearly visible.
- File type: PDF format
- File Size: Max. 5 MB
